

EVENT TAPING

Let FlipBox Productions experts videotape and edit your events using professional equipment and video editing technology for affordable prices. You can relive sporting events, analyze plays, or share sports moments with far away friends or family members. You can also let us capture your graduations, birthday parties, school concerts, or other special events. Just relax, enjoy the events, and let us preserve your memories.

WHAT WE DO:

1. We send one or two videographers to the event and tape it for you.
2. We edit the video footage and create custom DVDs of the event.

WHAT YOU DO:

1. Choose an Event Taping Package (listed below).
2. With us doing the taping...you can sit back, relax, and enjoy the show!
